# Level 1 Maximum Reimbursable Rates (MRR) using Virginia's Cost Estimation Model

If the model generated a rate that was lower than the 2018 MRR for a given locality, the locality's rate will be held harmless. Rates held harmless are indicated by shaded cells. The partial day rate is 70% of the daily rate.

# Level 2 Maximum Reimbursable Rates (MRR) using Virginia's Cost Estimation Model

If the model generated a rate that was lower than the 2018 MRR for a given locality, the locality's rate will be held harmless. Rates held harmless are indicated by shaded cells.

The partial day rate is 70% of the daily rate.
